(d) To compute your risk/complexity component, find the row in the appropriate schedule that describes your total consolidated assets by referring to the amounts in Columns A and B. In that row, calculate how much your total consolidated assets exceed the class floor (Column E); multiply this number by your marginal rate (Column D); and add the product to the amount in Column C. The total is your risk/complexity component.

**§ 502.28 How does OTS determine the organizational form component for a savings and loan holding company?**

OTS will include an organizational form component if you are a responsible savings and loan holding company that OTS regulates under section 10(l) of the HOLA. OTS will compute your organizational form component by adding the base assessment to your risk/complexity component, and multiplying this amount by 25 percent.

**§ 502.29 How does OTS determine the condition component for a savings and loan holding company?**

(a) If the most recent examination rating assigned to the responsible savings and loan holding company (or the most recent examination rating assigned to any savings and loan holding company in the holding company structure) is “unsatisfactory,” OTS will assess a charge under the condition component. The amount of the condition component is equal to 100 percent of the sum of the base assessment amount, the risk/complexity component, and any organizational form component.

(b) For the purposes of this section, examination ratings are the ratings

that OTS assigns under the OTS holding company rating system. OTS uses the most recent rating of which the savings and loan holding company has been notified in writing before an assessment’s due date.

**PAYMENT OF ASSESSMENTS**

**§ 502.30 When must I pay my assessment?**

OTS will bill you semi-annually for your assessments. Assessments are due January 31 and July 31 of each year, unless that date is a Saturday, Sunday, or Federal holiday. If the due date is a Saturday, Sunday or Federal holiday, your assessment is due on the first day preceding the due date that is not a Saturday, Sunday or Federal holiday. At least seven days before your assessment is due, the Director will mail you a notice that indicates the amount of your assessment, explains how OTS calculated the amount, and specifies when payment is due.

**§ 502.35 How do I pay my assessment?**

(a) *Savings associations.* (1) If you are a member of a Federal Home Loan Bank that offers demand deposit accounts which permit direct debits, you must maintain a demand deposit account at your Federal Home Loan Bank with sufficient funds to pay your assessment when due. OTS will notify your Federal Home Loan Bank of the amount of your assessment. OTS will debit your account for your assessments.

(2) If paragraph (a)(1) of this section does not apply to you, OTS will directly debit an account you must maintain at your association.

(b) *Savings and loan holding companies.* You may establish an account at
